

THINGS EVERY MISSOURI VOTER SHOULD KNOW

- Vote at the polling place that serves your address.
- If your name is not in the poll book, the poll worker should call the election authority to confirm your registration and correct polling place.
- If your registration cannot be confirmed, you can vote a provisional ballot.
- Provisional ballots cast in the wrong polling place don't count.
- If you have moved within the same county, you can vote a regular ballot.
- If you have moved to a new county, you will need to register there.
- You have a right to assistance by anyone you choose.
- If you make a mistake, you can request a new ballot.
- If you are in line at 7p.m. you can vote.

MISSOURI VOTER ID

After June 1, 2017, present a photo ID & cast a regular ballot:

- Missouri Driver/Non-Driver License – non-expired
- U.S. Passport – non-expired
- Military ID – non-expired or non-expiring
- Contains photo & signature; Name closely matches name on voter registration

If you do not have one of the above with you:

*Sign a legal statement & cast a **REGULAR** ballot upon presenting:*

- Voter notification card from election authority
- ID from Missouri or Federal Government
- ID from a college, university, or trade school in Missouri
- Current utility bill, bank statement, government check, paycheck or other government document with name and current address

If you are registered and have no ID:

Cast a provisional ballot. (Vote will count if you return with valid photo ID or upon signature match)
