VOTE LIKE YOUR LIFE DEPENDS ON IT!

DR. GAYLE HOLLIDAY

The truth is, MAYBE IT REALLY DOES.

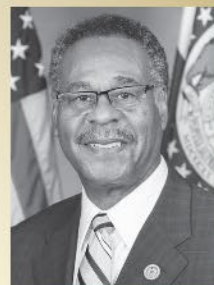

Now more than ever before, healthcare should be at the top of your survival list. If we don't fight to save Obamacare (Affordable Care Act) and to retain Medicaid expansion, thousands of our people could be left without health insurance. If you haven't voted, don't wait! There are voting satellite locations, absentee voting, mail-in ballots, and always, in-person voting on election day November 3rd. This is an important time in our history when you must let your voices be heard. So vote like your life depends on it, this time it does!

- ✓ **SUPPORT THE ENTIRE DEMOCRATIC TICKET**
- ✓ **VOTE "NO" ON AMENDMENTS 1 & 3**
- ✓ **VOTE "YES" ON QUESTIONS 1 & 2**

Stay safe and be well.

Dr. Gayle Holliday
President, Freedom Incorporated

MESSAGE FROM WASHINGTON D.C. U.S. REP. EMANUEL CLEAVER II

Over the past three years, we have witnessed an undisguised assault on our community. The current President has led our country into a moral darkness and away from our core values and beliefs. The assaults on us are undeniable.

This election is, in many ways, about whether our President can restore the soul of our nation and re-establish the long-held notion that the United States is moving welcomingly and indelibly toward a unified nation embracing our diversity. Our nation is in dire need of someone like Joe Biden, a leader who has never been afraid to speak out for us and our community to fight for jobs, economic development, and housing reform.

Joe Biden has been a champion in fighting for our families for over forty years – join me in voting for Joe Biden.

NICOLE GALLOWAY

for MISSOURI GOVERNOR

ECONOMY: A MISSOURI THAT WORKS FOR ALL

HEALTHCARE: LOWERING DRUG COSTS AND EXPANDING ACCESS TO HEALTHCARE FOR ALL MISSOURIANS

CRIMINAL JUSTICE REFORM:

“Building community trust in law enforcement and the justice system requires transparency and accountability. Civilian oversight of law enforcement, and transparency through the use of body cameras are steps we’ve known are needed since Ferguson. *It’s time to get this done.*”

NICOLE GALLOWAY STATE AUDITOR

BARBARA ANNE WASHINGTON

for STATE SENATOR—DISTRICT 9

“Barbara Anne’s ability to reach across partisan lines to deliver results for her constituents is just the kind of leadership we need in the Missouri Senate in these politically polarized times.”

S. “KIKI” CURLS FORMER STATE SENATOR

**AMENDMENT 3 TO THE
MISSOURI CONSTITUTION
IS NOTHING BUT DIRTY
POLITICS – TO OVERTURN A
CITIZEN BALLOT INITIATIVE,
PASSED WITH SWEEPING
STATEWIDE APPROVAL –
AND THAT MEANS WE NEED
TO VOTE AGAINST IT!**

Amendment 3 will arm state political parties with new powers to rig voting district maps, and take away our rights to challenge them. It will replace "Clean Missouri" reforms with some of the worst gerrymandering policies in the country.

It's their attempt to overturn the will of Missouri voters so they can reclaim their partisan advantage and continue to push their repressive agenda.
