Dear

Neighbor,

I want to wish everybody a happy and safe Thanksgiving! **We all must do our part to minimize the spread of this potentially deadly COVID-19 virus which just this past weekend took the lives of two more of the Kansas City Fire Department's heroic employees – Captain Robert “Bobby” Rocha and Communication Specialist/Paramedic Scott Davidson.** Flags will be flown at half-staff at all fire stations throughout Missouri and at all government buildings on the Missouri side of the metropolitan area on Saturday, November 28, and Monday, November 30, to honor them by order of Governor Mike Parson. You can scroll down to read the governor's comments about their selfless service.

Billy Birmingham, a KCFD emergency medical technician, also lost his life due to the virus in April. He was the first known first responder in Missouri to die from the virus. Turning to legislative matters, the Missouri Senate Appropriations Committee is scheduled to meet Tuesday, December 1, to consider the \$1.28 billion supplemental spending bill passed by the House 133-4 on November 9. **That bill appropriates federal stimulus funds allocated to Missouri to assist the state in responding to the COVID-19 pandemic and also includes \$2 million to implement the new statewide pretrial witness protection program created by bipartisan legislation I co-sponsored.**

I hope when the entire Senate convenes later December 1 that it promptly will

approve this vitally needed funding and send it to the governor for his signature to become law. If the Senate amends the measure it will come back to the House for consideration of the changes. The House is tentatively scheduled to convene the week of December 7.

Turning to local events, please scroll down to learn more about three upcoming events in south Kansas City to help persons in need.

From 4 to 6 p.m. Wednesday, December 2, persons are asked to bring new, unwrapped toys for children in need to a “Cram-A-Cruiser” event at the 7-Eleven, 10615 Blue Ridge Blvd., sponsored by 7-Eleven, Inc., in partnership with the Kansas City Police Department. Persons can get their pictures taken with Blue Santa, superheroes from Wonder League KC and Kansas City police officers and enjoy free coffee or hot chocolate and candy canes.

From 2 to 6 p.m. Thursday, December 3, persons are asked to bring new blankets for families in need and enjoy free hot cocoa and candy canes at a drive-through “Spread the Warmth” event with drop-off sites at the South Patrol Police Campus, 9701 Marion Park Dr., and at Newcomer’s Floral Hills Funeral Home, 7000 Blue Ridge Blvd.

From noon to 4 p.m. Saturday, December 19, at the International House of Prayer Camp & Training Center, 11700 Grandview Rd., persons in need may obtain children’s toys and essential personal care and winter items including hand sanitizer, masks, blankets, gloves, hats and socks and enjoy free hot dogs at a “Because We Care” event sponsored by numerous churches and community organizations. Persons must register by December 5 at the Hickman Mills Community Empowerment Center’s website www.hickmanmillscec.org.

Email is probably the best way to reach my office. If you are unable to quickly reach me, my assistant [Brian Farmer](#) is ready to help you. Feel free to forward this newsletter to your friends and family who might want to know the latest news about what is happening in state government and about important local events. Be safe and God bless!

*Yours in Service,
Mark A. Sharp*

I chatted with David Price, right, a business consultant with 7-Eleven, Inc., who was instrumental in arranging a “Cram-A-Cruiser” toy drive for needy children at the 7-Eleven at 10615 Blue Ridge Blvd., on December 2 at last Saturday’s similar event in Grandview which completely filled a Grandview Police Department sports utility vehicle with nice children’s toys. I’m hoping our south Kansas City event will be as successful.

Governor Parson Announces Launch of New COVID-19 Vaccine Website for Missourians

(JEFFERSON CITY, MO) – As research and development of multiple COVID-19 vaccines continue to show promising safety and effectiveness findings, Governor Mike Parson today announced the launch of a new vaccine website for Missouri residents.

[MOPStopsCOVID.com](https://moplastopsCOVID.com) provides Missourians with information regarding the safety of the vaccines, research and production processes, and when they may be eligible for vaccination. The website will also offer additional functionality as vaccines become available.

“It’s been remarkable to learn about the work that has been going on for many months now among scientists and researchers, many of whom are right here in Missouri,” **Governor Parson** said. “The most important thing we’ve learned about the accelerated development process is that steps have not been eliminated but are instead occurring simultaneously. Safety is not being sacrificed, and it’s important for Missourians to understand this.”

The new website includes answers to common questions [Missouri residents](#) may have, such as when they will be able to receive the vaccine and how well it works. It also clarifies [misinformation](#) that citizens may have heard

about the vaccines.

The Missouri Department of Health and Senior Services (DHSS) and partners across the state continue to make preparations in advance of a vaccine arrival, which is anticipated to occur prior to the end of 2020. The Centers for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices has identified the purposes of a COVID-19 vaccine as:

1. Decrease death and serious disease,
2. Preserve functioning of society,
3. Reduce extra burden that COVID-19 is having on people already facing disparities, and
4. Increase the chance for everyone to enjoy health and well-being.

A vaccine will initially become available in a limited quantity once it is proven safe and effective, approved for [Emergency Use Authorization \(EUA\)](#) by the FDA, and when the [Advisory Committee on Immunization Practices \(ACIP\)](#) has provided its recommendations on the use of the vaccines.

In August, a large group of more than 75 state team members, 10 Missouri National Guardsmen, and 50 federal and local partners began working together to develop Missouri's [COVID-19 vaccine response plan](#). The plan was finalized and submitted to the CDC in October.

“Missouri got a very early start preparing for vaccinations because we think it’s our best path to getting to a better place,” **DHSS Director Dr. Randall Williams** said. “This process is one that has continued to evolve, and we are committed to providing Missourians with the information they need as quickly as we can provide it. Information is empowering, and personal choices made during this public health emergency can positively impact yourself, those around you, and your entire community.”

Governor Parson Orders Flags to Fly Half-Staff in Honor of Kansas City Fire Department Communication Specialist / Paramedic Scott Davidson

(JEFFERSON CITY, MO) – Today, Governor Mike Parson ordered U.S. and Missouri flags be flown at half-staff at every fire station in the state of Missouri, the Fire Fighters Memorial in Kingdom City, and all government buildings in Cass, Clay, Jackson and Platte counties on Saturday, November 28, 2020, in honor of Kansas City Fire Department Communication Specialist/Paramedic Scott Davidson.

After a valiant fight, Communication Specialist/Paramedic Davidson died in the line of duty on November 22, 2020, following exposure to coronavirus while serving in his capacity as a firefighter.

“For more than 18 years, Communication Specialist/Paramedic Davidson served with the Metropolitan Ambulance Services Trust (MAST) and the Kansas City Missouri Fire Department. He served with a calming strength that gave others hope in the midst of difficult times,” **Governor Parson** said. “We are thankful for the sacrifices of the brave emergency responders who risk their own lives to protect the lives and property of their fellow citizens. Communication Specialist/Paramedic Davidson’s strong and true service will never be forgotten.”
